"Don is an extremely talented artist capable of transcending many levels. I say artist because Don is truly gifted. Traditionally trained, he can paint, design, and lead as a Creative Director. Besides his highly creative skill set, Don is one of the most loyal and outgoing of creative personalities. Willing to go the extra mile, I am always confident and successful when I have him on a project. **To whom it may concern,**

I am writing this reference at the request of Don Chowdhury. He has asked me to provide this general letter that he may show to any prospective employer who asks him for references.

Don worked for us at The Childrens Place within our creative/marketing department as an independent freelancer for over 6 months. He has an exceptional number of strengths to offer any employer. Not only are his creative abilities wonderful but so are his technical skills (dealing with Macs, printers, servers etc). He always had a positive attitude and was a team player.

In conclusion, I would highly recommend Don. If his performance in our organization is any indication of how he'd perform in your company, Don will be a positive addition to your organization.

Sincerely,
